

Kickstart London Packs

KiwiOz Nannies has teamed up with 1st Contact to offer "Kickstart London Packs" to ANYONE travelling to the UK to Live and Work! From MAY 2010 they are now only \$50.00 through KiwiOz (They were \$129.00)

What is included in the Kickstart package?

- UK bank account - No bank fees, no minimum deposit, the choice of 3 of the UK's largest banks and fully operational in just three working days upon your arrival in the UK.
- National Insurance Number Assistance – We'll show your clients how to get your UK National Insurance number to ensure they pay the right amount of tax when working in the UK.
- UK Assist – Our friendly UK staff are available to assist your clients with any information they require or questions including topics like general jobs, accommodation and travel advice, as well as information on the UK tax and the health system.
- FREE Money Transfer to get your client's money into their newly opened UK bank account.
- UK SIM card - they'll receive their UK mobile number before they leave for the UK.
- International Calling Card – Your clients will be able to stay in touch with their family and friends back home and save money at the same time.
- Discount vouchers for the UK's favourite tour providers. Pay less to see the UK.

What's new for 2010?

National Insurance (‘NI’) Number Assistance

Many clients have heard the rumours about NI numbers and would like guidance before they leave for the UK. Our National Insurance Assistance service is a step by step guide on how candidates can obtain their National insurance number in the UK.

UK Assist

We received feedback from clients that the information in our London Orientation session was fantastic but the requirement to go into a meeting was inconvenient. In light of this we have restructured the way we provide information to clients by simply offering a UK Assist service. This gives our clients the opportunity to communicate with us in the way they would prefer (phone, email or face to face) and can structure the interaction to focus on the information that is valuable for them.

The physical UK package will be available either to collect from our London office or will be posted to a designated UK address.

We like to think this is a tailored service now rather than the 'one size fits all' of the previous London Orientation meeting.

To order the pack you need to call KiwiOz Nannies on 09 309 3977 and have your credit card and passport details ready. If you purchase the pack before you leave NZ it they are now only NZ\$50.00.

Once ordered we can give you the UK mobile number that you will have so you are able to give it out to friends and families before you leave. If you have any questions about the Kickstart London packs please feel free to email contact@kiwioznannies.co.nz
