

Babysitter & Nanny vouchers

KiwiOz is offering babysitter booking and temp nanny booking vouchers which are great gift ideas throughout the year. If you have a set amount in mind that you would like to spend on a gift we can work in a voucher for the time required.

For a babysitter from 7pm - 11pm you are looking at \$85 (incl GST) and for a temporary nanny voucher for one day (8am - 6pm) the cost would be \$250 per day (incl GST) for an experienced and qualified nanny.

All babysitters and nannies through KiwiOz Nannies have a current NZ police check, their first aid certificate and a minimum of three verbal references checks completed. We provide the client with a full nanny or babysitter profile this includes a photo of the nanny, their full employment CV, written references, and references checks that have been completed by the agency.
